MORTIMORE'S
Rheumatic Compound.
THIS truly celebrated remedy preparation efficacious alike for each and every description of RHEUMATIC COMPLAINTS, is already too well known and esteemed throughout the United States, to require any lengthy notice of its paramount virtues. It ERADICATES this heretofore incurable and distressing disease from the system, and STANDS UNRIVALLED IN THE PHARMACY OF MEDICINE
We do not propose to make unqualified statements, or to force a nostrum before the public but simply to request those most interested—THE SUFFERERS THEMSELVES—to procure from the Agent in their vicinity a circular, and not only read the testimony of those who have experienced its invaluable curative powers but also to write to or call upon the invalids cured so that the statement may come direct from the Fountain Head a course which will satisfy the most incredulous and only by which the real efficiency ... certain of being obtained Write also to the proprietors who will accord every information and furnish names of undoubted character from every section ... number among them some of the most eminent Physicians, Clergymen, Editors, and prominent citizens to defend the reliability and efficacy of the remedy ... doubt or distrust.

WHAT IS TO BE EXPECTED.—It is hinted on all sides that Milwaukee as usual will be sure to cast her vote for a Milwaukee man. That Wells will be nominated there is but little doubt, and if he is nominated it seems to be a foregone conclusion that the Republican nominee cannot depend upon the vote of that city any farther than a few hundred of the ancient, firm and consistent friends of freedom. * *

We have no great hopes from that quarter; but with what votes Milwaukee will give, J'dge Spooner will be elected by a larger majority than any representative from this district ever had. The PEOPLE in every other part of the District are all right.—*Racine Advocate.*

Everybody knows that this County is the stronghold of Hunkerism in this District. Nor is there anything peculiar in this. It is always the case with the commercial metropolis of any State. And this was as well known when the nomination was made, as now. That portion of the Republican party in this County which has always stood by Durkee, will stand by Spooner with all their old zeal and earnestness. And if the portion by whose influence he was nominated do the same, he will get 2,500 votes in this County. And that is 408 more than Durkee and Durand got here two years ago. We can pledge those who favored our nomination to go for Spooner with a will, and we question the policy of disparaging our County, or throwing cold water on the efforts of the Republicans here. As Racine and other portions of the District are boasting of what they can do without Milwaukee, we shall expect to see an overwhelming vote for the Judge, in the other counties. To meet the expectations formed from such out-givings, we shall expect Racine to give Judge Spooner 1500 majority, Kenosha 1000, Walworth 2000, and Waukesha 500, and if Milwaukee does as it did two years ago, this will give Judge Spooner 2500 majority—500 more than Durkee had four years ago. On our part, we expect Milwaukee to do better than the Advocate's fears, and the rest of the District to come short of the Advocate's boasts.

Congressional.

The Republicans of the Chicago District held a Convention at Aurora, on the 20th inst., and nominated James H. Woodworth of Chicago, for Congress. There were 209 delegates in attendance.

On the same day, at the same place, the Whigs held a Convention, and nominated R. S. Blackwell as their candidate for Congress. Their Convention was attended by only 37 delegates, all told, and the business of the meeting was "done up" in a very brief space of time.

KIDNAPPERS ESCAPED.—The three hyenas who attempted to kidnap and murder a colored man at Chicago, and had been indicted for the deed, have escaped by a trick of the U. S. Dis't Att'y Hoyne and Sheriff Bradley. They got out a writ of *Habeas Corpus*, from Chief Justice Treat, at Springfield, commanding the Sheriff to bring the prisoners before him—200 miles distant—in 36 hours, and served it when the witnesses and attorneys of the colored man were absent, and, of course, were taken beyond the reach of justice.

J. H. EARNEST, of La Fayette, Fugitive Slave Law Whig, has joined the Nebrascals, and promises to carry 500 such Whigs as he is to the Slavery party. Hope he will, if there are so many in his region, for there is where they belong. We don't need any help from Slave Catching Whigs, or Slave Catching Democrats.

THE *Monroe Sentinel* says that Ben C. Eastman will support Mr. Washburne for Congress. The *Beloit Journal* says:—"Ben C. Eastman, the present Democratic Representative, pledges his support to the Republican nominee, and promises to stump the District for him."

THE *News* draws consolation even from the defeat of the Nebrascals in Iowa, and is really thankful that it is'nt any worse with the Hunkers there, than it is.

MOSES WISNER, free soil whig, is the Republican Candidate for Congress in the 4th district of Mich.

THERE is Government land in Grant Co., that can be purchased at 75 cents per acre, it having been in market 19 years.

THERE was a very animated discussion on the last evening of the session of the American Board of Commissioners for Foreign Missions, at Hartford, on the resolutions to withdraw their teachers from the Choctaw schools, because the Choctaws refuse to allow them to teach slaves, even those in the families of the missionaries. The following are the resolutions:

Resolved, That the Board acknowledge with gratitude to God, the wisdom and fidelity which, so far as appears from the documents which have been submitted to them, the Prudential Committee are advising and directing the Missionaries among the Choctaws in conformity with the principles asserted by them in their correspondence with their missions, reported to the Board of 1848.

Resolved, That the decision of the Prudential Committee, with the concurrence of the missionaries, not to conduct the boardingschools in the Choctaw nation in conformity with the principles presented by the recent legislation of the Choctaw Council, meets the cordial approbation of the Board.

Resolved, That the commission given by Christ to his disciples to go and preach the Gospel to every creature, which is the warrant of Christian Missions, is to be respected and obeyed in all the operations of the Board; and that while our missionaries among the Choctaws are allowed in fact to preach the Gospel to all persons, of whatever complexion or condition, as they have opportunity, and to preach it in all its application to human character and duty, they are to continue patiently in their work.

The old fogies moved to lay the resolutions on the table. Lost 19 to 68, and the resolutions were then adopted 60 to 10. The world moves, and Anti-Slavery has penetrated the heart of a corporate board. We rejoice.

The R. R. Stock Subscription.—Up to this day, (Monday, Sept. 18,) Green county has raised the figure to $410,000. To-day and to-morrow, meetings are to be held at Decatur and Clarence—at which places we feel quite safe in saying, the figure will be raised to $460,000. In addition to this, the subsciption West of Green Co., has reached the sum of $40,000. The people of Green cannot be stopped short of half a million. The citizens of this county will be the recipients of the benefits of this large amount of stock in a paying road. We feel justly elated at the display of so wise a selfishness on the part of our citizens. It is an evidence of their intelligence and sagacity. The aggregate accruing wealth to the county we will not stop now to delineate.

Mr. Clinton has held two meetings in Lafayette Co., but being obliged to return home on business for the La Crosse and Milwaukee Co., his further visit to the counties West will be deferred until further notice—two or three weeks perhaps.—*Monroe (Green Co.) Sent.*

Any man who will, in one breath, advocate democratic doctrines and claim to stand upon the democratic platform, and in the next, denounce President Pierce and his administration as infamous, is either drunk, or crazy—a knave, or a fool.—*Sheboygan Jour.*

To which the Oshkosh Courier replies:

"The elections held within the past year sufficiently demonstrate that a large majority of the democratic party is composed of just such men, and that, throughout the length and breadth of the Union, whenever there is found a noisy, babbling supporter of the administration, he may be very safely set down as one who is compensated therefor by a stated price paid out of the public treasury."

THE EMIGRANTEN *for the Republican ticket.*—The Beloit Journal says:

The *Emigranten* has been a Democratic paper, but we find from an interview with its intelligent and gentlemanly editor, K. J. Fleischer, that he utterly repudiates the principle of the Nebraska bill, and upon the present political issue in this district will give his hearty support and influence to the Republican nominee.—This is just such an influence as should be brought to bear upon the Norwegian population, and in no way can it be done except thro' a reliable Norwegian press. In no way can our Republican friends so efficiently aid the common cause in this region, as by contributing a fund sufficient to secure the healthy continuance of the *Emigranten* under its present management.

Hoyt will get about one fourth of the votes of his District, say some our Democrats.

THE *Beloit Journal* says the Rock River Bank, at that place, after having, by its President, promised to redeem its own issues of the bills of the Farmers' & Merchants' Bank of Memphis, now refuses to do so.

We wish our farmers and business men wo'd refuse to take the bills of any bank, the redemption of whose issues is not fully secured by law. We see no other way of driving out an irresponsible currency.

Take care of your Pockets.—Two men—father and son—were out shooting pigeons, a few mornings since, when the son shot one, which he picked up and put it in his pocket. About half an hour afterwards another flock made their appearance. The son drew up to shoot, when the one in his pocket gave a flutter, cleared himself from his pocket and flew away. The father left for home in disgust, thinking it but little use to shoot pigeons, when dead ones "take to themselves wings and fly away." This little incident caused some sport among the boys.—*Mineral Pt. Tribune.*

Health, Weather.—The health in this section of the State is improving the influenza or cold in the head which prevailed to such an unexampled extent in this place and the surrounding country, has almost entirely disappeared; the sick ones are recovering and the Doctors now have time to read the news.

The weather is now clear, with fine bracing breezes from the Lake. The late showers have given new life and vigor to vegetation.—*Ozaukee Co. Adv.*

A Convention of the Railroad men of Ohio has been called at the suggestion of J. Brough, Esq., to be held at Columbus during the present month, to take into consideration the propriety of establishing a tariff of prices for freight and passage at a higher standard than at present used, and to discuss other matters of interest to the various roads.

THE Albany Register says there are more than $1,000,000 now lying unclaimed in the Savings Bank of the State of New York, some of which has been there for 50 years.

THE St. Nicholas Hotel, New York, has been obliged to turn customers away for several days. They now lodge 650. Business is looking up with the Hotels.

THIRD DISTRICT.—Not a word of news respecting the nomination made at Waupun, Thursday, two days ago. It is time we heard from the Convention.

The next Arkansas Legislature will stand, 75 Democrats and 25 Whigs. In the last Legislature the Whigs had 30 members.

ARRIVAL OF THE ARABIA—*Breadstuffs Advanced.*—The steamer Arabia arrived at New York on the 21st inst., having left Liverpool on the 9th inst. Flour had advanced 1s on the week, and Wheat 3d. Corn had declined 6d.

How the Radical Democracy of New York receive the Nebraska Resolutions of the Soft Convention.

The Buffalo Republic responds to a suggestion of the Albany Atlas that the former might "see" something favorable to Freedom in the liberty accorded by Congress to Kansas and Nebraska to accept or reject Slavery—as follows:

"The *Republic* sees nothing of the kind. It sees that the repeal of the Missouri restriction opened the Territories of Kansas and Nebraska to Slavery, and that the measure has awakened a feeling in the Free States which may, through the efficient aid of emigrant societies, result auspiciously to the cause of Freedom. It sees nothing of popular sovereignty in the Nebraska law, nor anything different from other territorial acts save a wanton violation of a solemn compact which, in its judgment, should have met the unqualified disapprobation of the Democratic State Convention, whatever opinions may have prevailed there in regard to the restoration of the Missouri clause."

The Cayuga New Era speaks thus:

"These are times of unusual independence in sentiment and action among the rank and file of parties upon political subjects. These are times when the masses are something distinguishable from political leaders and wire-pullers and *trimmers*. In short, these are times when more than ever the band of party is snapped in an instant by the individual, fearless of consequences, if partisan Conventions ignore essential elements of their creed, or cowardly beslaver their faith with ambiguous verbiage, or court the lenience of power, by crushing conscience, or damn their enemies with faint *praise* or openly sack their principles and proclaim a lie.

We exult that the iron despotism of party fealty is vanishing away, and that the mere isolated individual is daily less and less hampered and trammeled in his political thought and action. Political aspirants and office-holders and party leaders are well enough only when they are the *worthy* weapons and implements of the masses, and this has not been, and can only and is to be, by the full development of that individual independence and superiority which is now strikingly characteristic of the people of this great State. We rejoice that we are almost hourly conversant with countrymen, neighbors, and fellow-citizens, who, politically associated as they are with the various political parties, boldly vow they will shirk their partisan predilections in a moment when, through corruption, timidity, or policy, the party of their choice compromises its honor, degrades itself to ignominious silence on vital questions, buries its conscience in the mire of straddle-the-fence ambiguity, circumlocution and nonsense, or with court-favor-seeking hypocrisy, utters with the lips sentiments traitorous to the heart."

The St. Lawrence Republican—one of the oldest and ablest of the "Soft" journals, does not hoist the Seymour ticket, and talks of its nominators and their doings as follows:

"*State Convention.*—Much against public expectation, the Convention passed a resolution to sustain the Nebraska bill, although in the same resolution they declared that measure inexpedient and unnecessary. Over one hundred delegates ceased at once to act further with the Convention. The subsequent proceedings were of such a character that the delegates continued to leave, until on the last vote, nominating a candidate, but one hundred and ninety-nine delegates voted, out of between four and five hundred who presented their credentials and took seats in the Convention when it organized. All the delegates from this County voted against the Nebraska resolutions, with the exception of Col. Barber, of the 2d District."

Sumner on the U. S. Supreme Court.

The following remarks of Mr. Sumner, in his speech at Worcester, on the fallibility of Judges, is worthy of remembrance:

For myself let me say that I hold judges, and especially the Supreme Court of the country, in much respect; but I am too familiar with the history of judicial proceedings to regard them with any superstitious reverence. Judges are but men; and in all ages have shown a full share of human frailty. The worst crimes of history have been perpetrated under their sanction. It was a judicial tribunal that condemned Socrates to drink the fatal hemlock, and which nailed the Saviour to the cross. It was a judicial tribunal surrounded by all the forms of law, which doomed the fair Virginia, in ancient Rome, as a slave; which in modern times enforced the tortures of the Inquisition, amid the shrieks and agonies of its victims, and which compelled Galileo to declare, in solemn denial of the great truth he had disclosed, that the earth did not move round the sun. Aye, sir, it was a judicial tribunal in England, surrounded by all the forms of law, which sanctioned every despotic caprice of Henry VIII from the unjust divorce of his Queen to the beheading of Sir Thomas More; which lighted the fires of persecution that glowed at Smithfield over the cinders of Latimer, Ridley and John Rogers; which, after elaborate argument upheld the fatal tyranny of ship money against the opposition of Hampden; which in defiance of justice and humanity, sent Sidney and Russell to the block; and which persistently enforced the laws of Conformity that our Puritan Fathers persistently refused to obey. And it was a judicial tribunal in our country, surrounded by all the forms of law, which hung witches at Salem, affirmed the constitutionality of the Stamp act, and admonished "judges and jurors" to obey; and which, now in our day, has sanctioned the atrocity of the Fugitive Slave bill.

BELOIT FEMALE SEMINARY.—This institution, which was incorporated by an act of last winter's Legislature, will soon be permanently organized and go into operation. Negotiations have been perfected by which the building now used as the Rock River Hotel passes into the hands of the corporation for Seminary purposes. The situation of the old hotel building is a pleasant one, and it is designed to use it until the permanent buildings of the seminary are erected. We understand that arrangements have been made by which the department of instruction will be filled with teachers of the highest qualifications, from Utica, N. Y. It is expected that it will go into operation about the first of November.—*Beloit Jour.*

AGITATION OF HUNKERDOM.—Because the people of Chicago would not stand quietly and bear the abuse of Steve Douglas, the Hunkers are in an agony of patriotic indignation at what they call a violation of the freedom of speech. Why, the Baltimore platform was intended to suppress talk—on the slavery subject, at any rate—but only on the side of freedom; negrodom could jabber as much as they pleased. If this bitter cup has been returned to the lips of the inventors of iniquity, who's to blame?—Even the bunker organ at Shullsburg is in "travail" now. Did it talk thus pathetically when the gifted Codding was mobbed under its own nose? The devil's own could not beat this hypocrisy.—*Monroe Sentinel.*

The following editorial paragraph from the Iberville Gazette, La., a southern democratic press, shows that in some localities a southern Democrat may be found who does not believe in slave catching:

"The gentleman who kindly addressed us for information concerning "Runaway Negroes confined in the jail of this Parish," is respectfully referred to the Southern Sentinel, the organ of the Whig party, in which all such advertisements are published."

San Francisco has now 20 churches, and 2000 professed members.

WATER LIME.—Prof. Daniels has an interesting communication in the Ripon Herald, on the fitness of the limestone of that vicinity for water cement. He gives the following result of analyses of specimens by Prof. Hayes, of Boston:

The analysis of two specimens from the quarries near the Ripon mills gave the following results:

"These samples present the proportion of lime in water limestone, and it is accompanied by carbonate of magnesia.

100 parts contain Moisture 1,00; Silica 5,40; Oxide of iron and alumina 1,80; Carbonate of lime 78,04; Carbonate of magnesia 12,76;—100,00.

The analysis of two specimens from Beckwith quarry, Ceresco, taken from near the lime kiln resulted thus:

These samples belong to the class of water limestones.

100 parts contain moisture 1,60; Sillicate of iron and alumina 21,00; Oxid of iron and alumina 21,00; Oxid of iron 1,40; Carbonate of lime 67,12; Carbonate of magnesia 8,68.

A case came before the Supreme Court at New York City, last week, which created no little excitement. It seems that Wm. Murphy and Anna Maria, his wife, separated some time since, on account of the criminal conduct of the lady with a dry goods clerk named Montgomery. Mrs. M. claimed the children, and Mr. M. detained them. The question was, who should have the babies. The Court rendered a decision giving the husband the custody and maintenance of the children, and providing that he should pay the wife, for her maintenance, fifty cents a day, and should permit her to visit her children once a week, at times and place convenient for her to enjoy their society.—*Detroit Inquirer.*

MINISTER SOULE has written a laudatory letter to the new Spanish Government. It is of the God and Liberty stamp, in which he assures the Dons that the heart of Young America will throb at the news of what they have done.

Pigeons.—We have never seen so many pigeons in this region, as have been flying about during the past week. Large numbers have been killed, and we find them fine eating.—*Mineral Pt. Trib.*

☞ THE CHEST. ☜

SIR ASTLEY COOPER, BART., M. D.,

THE EMINENT MEDICAL PRACTITIONER, HAS LEFT A VALUABLE LEGACY TO THE WORLD IN HIS

Great Preventive of Consumption, and Unfailing Cure for Pulmonary Diseases

WITHOUT THE USE OF MEDICINE!

Sir A. C., Bart., invented and advised the use of the

MEDICATED FUR CHEST PROTECTOR,

TO all persons of all ages and conditions, as a certain and a safe shield against those fearful diseases, Consumption, Bronchitis, Asthma, Coughs, Colds, and other afflictions of the Lungs, which arise from the exposed state of the chest, *according to fashion*, and the continual changes of our climate.

"The Protector" is simply a chemically prepared fur lined with silk and padded, which, suspended from the neck, covers the chest in so agreeable manner that, when once worn, it becomes *a necessity and a comfort.*

"The Protector," although but recently introduced into America, is making rapid progress through the United States, the Canadas, South America, and the West Indies. It has for a long time been a staple article in England and on the continent in Europe, while it has grown in many countries to the position of an article of dress.

To demonstrate these facts enquire of any English resident in your vicinity of his knowledge of the beneficial effects of wearing the Protector, WITHOUT RECOURSE TO DOCTORING of any kind. The cost of wearing these articles is a mere trifle, and one will last some years. No one who values the health of himself or his family will be without them. The Hospitals in this country are not only recommending them, but rapidly introducing them. Harcourt Bradley & Co., of London and Manchester, England, were originally entrusted with the manufacture of the Protectors, by the lamented Dr. Cooper, and continue to manufacture them according to *his original* instructions, and therefore recommend those who would wear "The Protectors," to see to their being genuine.

☞ *Remember this is a staple article and no patent medicine.*

THE HYDROMAGEN is a valuable discovery for protecting the feet from damp or cold, and therefore a preventive of many Lung diseases, *without any doctoring whatever.* The Hydromagen is in the form of a sole, and worn inside the boot or shoe. Its *medicated* character is a powerful antidote to disease.

For Gentlemen it will be found agreeable, warm and healthy, to wear in the coldest or rainiest weather, as the foot cannot become wet if the Hydromagen is inserted.—Ladies may wear the lightest soled boots or shoes in the most inclement weather with impunity; while Consumption, so prevalent among the young of our country, may be thwarted by their general adoption. They entirely *supersede overshoes*, as the latter cause the feet to perspire in a very unhealthy manner; and, besides, are not dangerous for pedestrians to wear in icy weather, like india rubbers. While the latter cause the feet to appear extremely large, the Hydromagen, being a mere thin slice of cork prepared, peculiarly placed inside, does not increase the size of the boot, or cause the feet to appear untidy. To Children they are extremely valuable, as they may engage in exercise with comfort and healthy effects. Their expense is so slight as to scarce need mention; besides, those who patronize them will find their *yearly doctor's bills much diminished thereby.*

As the Hydromagen is becoming more known, its sale is increasing to an almost incredible extent. Last year in London, Manchester, Birmingham, Liverpool, Glasgow, Leeds, Dublin, Paris, Antwerp, Hamburgh, and Berlin our sales reached 1,732,450 pairs of Cork Soles. This year the number will far surpass that.

Ask the Faculty their opinion of their value as a preventive for Coughs, Colds, Bronchitis, Asthma, and Consumption.

Milwaukee Poetry.

"Many a flower is born to blush unseen,
"And waste its fragrance on the desert air."

So,many a sparkling genius is obliged to plod his way through life, in obscurity, in consequence of the extreme dullness of the world in appreciating his rare abilities. If we had our own way, this condition of things would be speedily changed, and modest merit should receive a just reward

We believe, too, in encouraging home productions, and, consequently, we copy the following *rich* and touching poetical effusion from the Ozaukee Co. *Advertiser*, written by some "fair daughter of Eve," in this city, and dedicated to the young men, or rather puffed-up, shallow pated dandies of the present "day and generation." Listen in profound silence, ye to whom these merciless lines are addressed,while we read:

I do not blame a girl of sense,
If she lead a single life,
The way the men are 'flaming' now,
They can't support a wife.

Time was when men could split and saw,
And bring in wood and water,
But now around the barber's shops,
With stump cigars will loiter

I do not blame a girl of sense,
Her courage must be great,
To think to wed a modern beau,
With nothing in his pate.

Time was when men could help to pound
The shirts they helped to rumple,
And turn the pancakes, stir the fire,
And make their wives less trouble.

The girl of sense is not to blame,
If modern men wont do,
She'd better lead a single life,
And *earn* her living too.

Milwaukee, Sept , 1854.

TO DAY is a most beautiful specimen of Autumn, in Wisconsin. The atmosphere is clear, pure and buoyant, and one cannot help wishing it were always so. Scarce a cloud dims the horizon which looks most majestically magnificent Such weather warms and radiates the cold, misanthropic heart, and makes even the sorrowful smile joyously, and realize, that there is some pleasure in human existence after all.

Well, it is best to make the most of such lovely weather, and pleasant reveries, for their duration is often very brief. How much circumstances—the little things of life—do affect our destiny.

"We think to conquer circumstance, and sometimes win.
A hold upon events that seemeth power.
But nothing stable waiteth upon sin;
God holds the cords of life, and in an hour
The strongest fabric built by human mind
Falls with a crash, and leaves a wreck behind"

Police Court.

Catharine Beard was tried yesterday, for threatening to kill her husband, and after a full examination, from which it appeared they were in the habit of having frequent quarrels, the defendant was discharged.

Prof. Eppes obtained a warrant against "John Doe," for breaking his windows.

Jos. Forward was brought up by Deputy Marshal Leinhart, this morning, for fast driving over Menomonee Bridge The defendant plead not guilty, and the case was put over till tomorrow

The case of Adolph Ludwig, for keeping a disorderly house, came up for second trial, this morning, and the whole forenoon was occupied without obtaining a complete jury.

It strikes us that an entire forenoon is quite too much time to devote to the empannelling of one jury.

REAL ESTATE SALES.—The west half of lots 5 and 6, block 23, fronting on Greenbush St , Fifth Ward, were sold yesterday, by *Mrs.* Agnes Armitage, for $1,300. The Foreman of the Locomotive Foundry was the purchaser of this property, and he designs erecting a dwelling house on it for his own accommodation.

Mr O Alixander has purchased 94 lots, belonging to D. Taft, in Hubbard and Pierson's addition to the 1st Ward, for $20,000.

The twenty feet on the east side of East Water St , between Goetz's barber shop and D. G Power's Land Office, has been sold for $200 per foot.

MARINE.—The brig Hamlet cleared for Oswego last evening, with 9969 bushels of wheat, and 60 bags of beans; the brig Monteath for Buffalo, with 6132 bu. wheat, 6439 do. corn.

The sch. Sam. Strong cleared this morning for Buffalo, with 10,000 bu. wheat.

The Brig Empire State is taking on 7,000 bu. of wheat at the checkered warehouse—freight to Buffalo, 10 cts.

DELAYS.—Some of our business men complain that they cannot get their goods transported over the M. & M. Railroad in any reasonable time. One of our largest dealers has had merchandize for Milton lying in the Depot since the 16th inst. We trusts this state of things will not long continue, as it is a great disappointment to merchants and the public generally.

THE THEATER.—The audience to hear the first performance of Mr. and Mrs. Conner, was improved last night, but still was not large.—Mr. and Mrs. Conner performed their parts exceedingly well. They perform to-night in Macbeth, which will be worth hearing.

ALARM OF FIRE.—The alarm of fire about one o'clock, P. M., to-day, was occasioned by the burning of a pile of shavings, near the Niagara Hotel, Fifth Ward.

LUZERNE RAY, for sixteen years a teacher in the Deaf and Dumb Asylum, died very suddenly in Hartford, Conn., the 15th inst.

Hamil vs.Philarmon Pratt, Reader Smith impleaded, &c , vs. Amos Lawrence, et al., were continued until the next term, in consequence of the illness of Mr. Ryan,the council for one of the parties in each case.

MURDER OF EMIGRANTS IN KANSAS, BY THE PAWNEE INDIANS.—The Editor of the Democratic Platform, in his issue of the 7 inst., says:—"While in Kansas last week, we learned that a party of ten emigrants visited the neighborhood of the Big Blue, for the purpose of making claims. The party divided—half of them traveling up that stream, while the other five went down. One of the parties was attacked by the Pawnee Indians, and the entire body, five in number, killed. We could not learn their names, but learn they are from Missouri.

For the Free Democrat.

MR. BOOTH:—I wish to say one word thro' your paper to the farmers and all others interested.

Yesterday I left home with a load of wheat, consisting of 24 bags, all of which I carefully weighed on a good beam scale, the whole weight of wheat amounting to 3,206 lbs., making 53 bushels and 26 lbs. I sold and delivered the same to a certain warehouse in this city, on the same day, it weighing by their scales, 52 bushels and 5 lbs., making a difference of 1 bushel and 21 lbs. I am satisfied that my scales are nearly correct, for I have sold most of my wheat of late at the Empire and Eagle Mills, where it invariably overruns my weight from 5 to 15 lbs. ℔ load.

ELISHA PEARL.

Milwaukee, Sept. 22d, 1854.

SPAAN'S EXHIBITION.—Those interested—and that includes almost everybody—will bear in mind that Mr. Spaan gives an exhibition of flowers, fruits, and vegetables at the Market House this afternoon and evening. He has taken great pains to get as large a collection of the fine productions of the vegetable kingdom as could be obtained, and he intends the display shall equal, if not surpass, anything of the kind that has been offered to the public this season. A sale will take place at 8 o'clock in the evening.

THE FRUIT GROWERS' ASSOCIATION is a valuable society, and we hope to see it prosper, but we must repeat our regret that its first anniversary is to be held here, on the last two days of the State Fair. There were many complaints because the Rock Co. Fair was held on the same day as the State Fair at Janesville, three years ago. The Hoticultural Soceity postponed their meeting here, on account of the State Fair, and we trust the Fruit Growers' Association will do the same. Otherwise an antagonism may grow up between them, and the Association may lose the friendship and cooperation of those who should be its best friends

MONROE SENTINEL.—Messrs. N. L. Stout & G. W. Tenney have leased the office and fixtures of the Monroe Sentinel for one year from Sept. 13, inst., and their first issue gives promise that they will make a most valuable as well as reliable Republican paper. We wish them abundant success.

SAD ACCIDENT.—A young man named Anson Stoddard, was so severely scalded and bruised by the explosion of a steam boiler in a machine shop at Chicago, on Wednesday last, that his life was despaired of.

SOUTHERN MICHIGAN STEAMERS.—Capt. Perkins has been obliged, through ill health, to leave the *Southern Michigan*. He is succeeded by Capt. Wilcox, late of the *Empire State*, and Capt. Ludlow, late of the Prop. *Republic*, succeeds Capt. Wilcox.

FAILURE OF A PUBLISHING HOUSE.—The large Publishing house in New York, reported by telegraph to have failed, is that of G. P. Putnam & Co.

Their liabilities are said to be $80,000. Their creditors held a meeting on Friday, and agreed to give them an extension of time for payment, and allow them to proceed with their publication.

GREAT WESTERN RAILWAY.—The amount of traffic of the Great Western Railway, for the week ending Sept. 15, were:

Passengers,	£4689 11 10
Freight,	1170 18 7
Sundries,	281 8 5
Total,	£6151 18 19
Am't of previous receipts,	£23,669 11 1-4

LOSS OF LIFE *by Explosion of a Magazine of Fire Works.*—Two men were killed and a third badly injured, at St. Louis, on the 18th inst., by the explosion of a magazine of fire works. A two-story back building was destroyed. Loss on fire works $1,500; on building $1000.

Hon. David Stuart,of Mich.,has been re-nominated for Congress by the Democracy of his District.

NINETY-THREE deaths in Boston, last week—seventy-three from cholera.

CONGRESS HALL, at Saratoga, has been sold for $40,000. It is to be re-built.

Some 13,000 or 14,000 bushels of grain, mostly wheat, came in by cars last night.

AT SAVANNAH there were 210 deaths last week, of which 129 were from yellow fever.

They had oysters at Janesville yesterday. It is time we had them at HOME.

Buffalo Market.

BUFFALO, Sept. 22.—Our market is very dull and inactive this morning, and the inquiry for Flour is entirely of a retail character. The sales are not large, at $7,25 for Black Rock, and $8,00a8,37 for good to choice Ohio and Michigan.

GRAIN.—Wheat in fair milling request.—Sales 3000 bu. at $1,30, and about 1000 bu. Sheboygan at $1,35 for red and $1.65 for white.

Corn—But little offering: buyers offer 65c, but holders wait the effect of the steamer's news on N Y. markets—no sales. Oats quiet — sales 5800 bus. at 63½ delivered. Canal Freights unchanged. Receipts—Flour 2,300 bbls., Wheat 20,000 bus. Arrived from Upper Lakes—Prop. Sun.

NEW YORK, Sept, 20.—The subscription for the relief of Savannah sufferers now reaches over $10,000.

A CURE FOR ALL!

HOLLOWAY'S OINTMENT!

CITIZENS OF THE UNION—

You have done me the honor as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and already it has obtained more celebrity than any other Medicine in so short a period. THOMAS HOLLOWAY,

33, corner Ann and Nassau streets, New York.

ASTONISHING CURE OF SORE LEGS. AFTER NINE YEARS STANDING.

Copy of a Letter from Mr. W. J. Langley, of Huntsville, Yadkin Co., North Carolina, U. S., dated Nov. 1, 1853.

☞ READ HIS OWN WORDS.

To Professor HOLLOWAY—

SIR: It is not my wish to become notorious, neither is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health, to my agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY.

AN EXTRAORDINARY CURE OF A BAD BREAST WHEN NEARLY AT THE POINT OF DEATH.

Copy of a Letter from Mr R. Durant, dated New Orleans Nov. 9, 1853.

To Prof. HOLLOWAY, 3s, cor. Ann and Nassau Sts., N. Y.

Dear Sir: It is with heartfelt gratitude I have to inform you, that by the use of your Ointment and Pills, the life of my wife has been saved. For seven yea s she had a bad breast, with ten running wounds, (not of a cancerous nature). I was told that nothing could save her; she was then induced to use your Ointment and Pills, when, in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your medicines from Messrs. Wright & Co., of Chartres street, New Orleans. I send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, at that time not knowing your address at New York. (Signed) R. DURANT.

The Pills should be used conjointly with the Ointment, in most of the following cases:

Bad Legs,	Fistulas,	Scalds,
Bad Breasts,	Gout,	Sore Nipples,
Burns,	Glandular Swellings,	Sore Throat,
Bunions,	Lumbago,	Skin diseases,
Chilblains,	Piles,	Scurvy,
Chapped hands,	Rheumatism,	Sore heads.
Contracted and Stiff Joints,	Salt Rheum,	Ulcers. Wounds.

\, Sold at the establishment of Prof. HOLLOWAY, 80, corner of Ann and Nassau Streets, New York; also by all respectable Druggists and Dealers in Medicines thro'out the United States, in Pots, at 37½ cents, 27 cents and $1.50 cents each. To be had wholesale of the principal Drug Houses in the Union.

There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

It has been thoroughly tested by thousands, who will testify that it is the most complete Cook Stove that can be. There is a Summer Attachment to the Stove which will make half difference less in the AMOUNT of fuel used in the summer season, and does away with all unnecessary heat which other stoves make that have not the attachment. The oven is much larger than any other stove of the same size furniture. I warrant the Stove to give complete satisfaction; if not, to be returned, and money refunded. I will refer you to hundreds of the citizens of Milwaukee who are using the Stove.
